SAMPLE

Chapter 3

Michelle Williams: A Famous Daughter of a Famous Trader

“I was born with a fierce need for independence.” – Michelle Williams

Name: Michelle Williams

Date of birth: 9 September 1980

Nationality: American

Profession: Actress

Career

Michelle is a popular actress, just as her father, Larry Williams is a popular trader. But although she is best known as an actress, she also has the pedigree of trading proficiency in her.

Michelle proved to be a true daughter of a great trader when she participated in the Robbins World Cup Championship of Futures Trading in 1997 and won the Cup by making 900% returns – making her the third highest winner of the Championship since its inception. Her

father achieved the highest profit ever realized in the Championship, with 10,900% returns in a 12-month period.

As you might be aware, in 1987, Larry Williams was the winner of World Cup Championship of Futures Trading from the Robbins Trading Company. He turned \$0.01 million to Over \$1.1 million in twelve months.

Insights

1. It's possible to achieve good returns from trading. It's possible for women to achieve greatness as traders. It's possible for a man to be a great trader, and then for his children to be great traders, and then grandchildren, and then great grandchildren, etc. to be great traders. Trading excellence can become generational.
2. Doctors, lawyers, engineers, politicians, lecturers, scientists, accountants, artistes, actors, clerics, technicians, drivers, etc. (the list is endless) can become great traders. Michelle is a dedicated actress and a world trading champion.
